DELEGATION ORDER

I, Joseph A. Giddis, as Director of the Office of State Procurement, do hereby authorize the Department of Parks and Tourism, under the general supervision and direction of this office, to make and enter into contracts for the purchase of bulk gasoline, diesel fuel, butane and propane to be delivered to vendor owned fuel tanks and pumps for the below listed Arkansas State Parks:

Daisy State Park
Lake Fort Smith State Park
Lake Ouachita State Park
Millwood State Park
Petit Jean State Park
Pinnacle Mountain State Park
Withrow Springs State Park
Bull Shoals State Park
Ozark Folk Center
Region II Office
Lake Chicot State Park
Mt. Magazine State Park
Old Washington Historic State Park
Lake Poinsett State Park
Lake Catherine State Park

The use of competitive bidding procedures is not practicable because the current supplying vendor owns and has previously installed the bulk tanks and associated pumps. The Arkansas Department of Parks and Tourism does not have funds available to procure tanks and pumps at the present time.

This delegation order will be in effect until June 30, 2007, or until arrangements are made to secure state-owned tanks.

Nothing herein is intended to prohibit the Arkansas Department of Parks and Tourism from requesting the assistance of the Office of State Procurement in the procurement of the commodities.
